## REVIEWER ACKNOWLEDGMENT

### Reviewer Acknowledgment

The Editors-in-Chief, Associate Editors, and editorial staff of *Value in Health* wish to thank all those who have so generously donated their time and expertise in reviewing manuscripts for the journal during the past year. The journal's growing reputation in the field is due largely to the participation and valued input from the peer reviewers who help us continuously improve the quality and relevance of the papers published in *Value in Health*.

The following list of names contains individuals from 48 different countries and reflects the ever-growing global diversity of the journal and ISPOR. Thank you for your contributions to the journal and to the Society.
